Settlers Life Reward Programs

As you begin to build a book of business with Settlers Life, you have great rewards programs at your fingertips!

Expedition-2-Excellence

This program is designed to reward new producers in their first 12 months of being a partner with Settlers Life. A new gift awaits you as you reach each new production milestone. Reach the highest E2E level, and we'll send you and a guest on a weekend getaway to the [Grove Park Inn!](#)

Benchmark Bonus

In the Benchmark Bonus program, you can bring home an extra paycheck from Settlers Life every month! This program is a performance-based marketing allowance paid to partners who place their final expense business with Settlers Life and meet monthly production and quality benchmarks.

Annual Sales Conference

In 2017, qualifying partners and a guest will join us aboard Royal Caribbean's "Anthem of the Seas" for a cruise to Bermuda! It takes only \$50,000 in net-annualized premium to qualify! Partners who write at least \$100,000 are eligible for an additional 2 days in New York City and extra perks!

Pick A Place

Write \$12,500 in net-annualized premium within 90 days of writing your first Settlers Life application and we'll send you and a loved one to a destination of your choice in the continental United States! We'll pay your airfare, hotel, and give you \$300 in cash to enjoy your time together!
