Welcome to Settlers Life!

Let's get you trained!

Check out the following training links to learn how to do business with Settlers Life:

Compliance Manual
Settlers Life requests that partners read our Compliance Manual, available here, in its entirety, prior to soliciting business.

New Partner Training
Click here to register for one of our LIVE New Partner Training Webinars. These webinars are packed full of great information on how to do business with Settlers Life. If you cannot attend a live webinar, check out our recorded version here.

AML Training
Settlers Life requires that you complete a federally required AML Training course once every three years if you are licensed and plan to solicit Settlers Life products. Complete our quick and easy AML Training course here and we'll be automatically notified upon completion. We also accept courses from Kaplan, LOMA, LIMRA, Quest, StoneRiver, Reg Ed, Softect/360 Training, WebCE, and NGL.

Settlers Life®
It's about people.

We are pleased that you chose Settlers Life for your Final Expense needs. We are committed to the continuous delivery of quality service to you and your clients. In exchange, we ask that you review our Quality Benchmarks to familiarize yourself with our expectations of new partners. If you have any questions regarding these expectations, please call your General Agent or the Partner Support Team.
